Method of preparation

1. Start by molding the cream cheese with the desired shape - in this case, small Christmas trees - and set to cool.
2. Toast the bread in the oven or in a toaster.
3. When the cheese is cold, brush with olive oil and then bread it with the chopped peeled pistachios.
4. Serve the cheese on the toast, drizzling with a dash of Gallo First Crop 2019-2020.

Dicas do Chef

You can serve the toast still warm so that the cheese can melt slightly.
